

## Treasurer

### Voluntary Role

One25 is the only organisation specifically for women involved in, or at risk of, street sex work in Bristol. Each year we work with around 240 women, 150 of whom are street sex-working.

We meet women where they are through night outreach, a drop-in centre and one-to-one casework and support them to build new lives away from violence, poverty and addiction. We are also hosting the Pause Bristol pilot. This innovative programme works with women who have had more than one child removed from their care and supports them to take back control of their lives.

One25 changes lives. As Netty said: *"This service is invaluable. I have a future, dreams and more choices. I NEVER dreamt of this four months ago. They saved my life!"*

#### Can you help?

Do you have financial experience in the business or charity sector? Do you strongly support One25's aims and ethos? If you can answer yes to both of these questions, then we want to hear from you.

#### What would it involve?

As Treasurer to One25's Board of Trustees, you will communicate timely and accurate financial information to the Board and lead the Trustees in discharging their financial responsibilities. This will require sufficient time to be effective in this role, normally around six hours a month, with more needed at specific times such as signing off the Annual Accounts.

One25 is an award-winning, registered charity (No.1062391) with a Christian ethos. We are based in St Pauls in Bristol.

**For further information or an informal discussion, please contact One25's company secretary, Pat Douglas on [pat.douglas@one25.org.uk](mailto:pat.douglas@one25.org.uk) or 0117 909 4387.**

**Application deadline: 31 January 2019** (may close sooner if sufficient applications are received).
